#### Description:

**This four-color, Gold Medallion Book Award winner is a perfect tool that offers solid, biblical answers to some of the tough questions kids ask about evolution and our world.**

*"Did Earth begin with a 'Big Bang' cosmic explosion?"*

*"Does science contradict the Bible?"*

*"What happened to dinosaurs?"*

*"Is there life on other planets?"*

*"Did we evolve from apes?"*

*"What makes my body work on its own?"*

Kids are daily exposed to the theory of evolution by the media and public schools. It's not safe to assume that your kids will reject that theory. It's up to us as parents and Christian leaders to make sure our children know the truth about the creation of the world. With thousands of evidences to prove He created and sustains the universe, *It Couldn't Just Happen* will fascinate kids with fun activities and examples of God's marvelous works.
