Description:

The Best Edition of *Think and Grow Rich*

Napoleon Hill's own first edition, carefully edited and beautifully designed

Napoleon Hill interviewed and studied the 500 greatest wealth-makers of his time. From their examples, he uncovered the **universal laws of success**--principles that will work for anyone willing to put them into practice. The result, first published in 1938, was ***Think and Grow Rich***. Napoleon Hill pointed the way out of the Great Depression and towards a prosperous future.

Seventy years later, we face new economic challenges, but the laws of success haven't changed. ***Think and Grow Rich*** is still the **surest map to wealth**.

This is the original, first edition of the book, carefully edited for today's readers by financial educator Charles Conrad.
